Minutes

1.0	**Welcome, Introductions and Apologies**
1.1	Attendees were welcomed and apologies shared. - A safety moment was shared with the group around protection in hot weather, including the need for site staff to continue wearing PPE
2.0	**Previous Minutes**
2.1	Previous minutes were agreed.
3.0	**Community Engagement Update**
3.1	MS gave an update on some of the recent community engagement activities and any important notifications. These included: - Sponsorship of Carradale Music Festival - Sponsorship and activities for Mak Stem fest in Campbelltown which this year included a student site visit
4.0	**Crossaig Substation**
4.1	RG gave an update on progress at Cg substation since Jan - Additional bunds being installed - Further building improvements made inc external doors - Improved site access - More Equipment bases installed - Existing sub building extension progressing inc foundations, steel structures erected, roofing, cladding, flashing
4.2	An update on the transformer delivery plan was also shared: - Weekend / Evening transport from Campbelltown Port to Crossaig Substation to minimise disruption, there will be a rolling closure with vehicles able to pass at designated safe points - Traffic management will be in place at the Kilean bell mouth - SGT 1 – expected 19th June - SGT 2 – expected 26th June DATES ARE TBC & SUBJECT TO POLICE SCOTLAND ESCORT, WE WILL UPDATE STAKEHOLDERS AND LOCAL RESIDENTS WITH FURTHER INFO

5.0	**High Constellation Wind Farm**
5.1	Updated dates were shared for High Constellation WFC: - Subject to change, but current program now has projected start date of Spring 27 and projected completion date of Q1 2029 - Commitment to continue updating stakeholders as plans progress
6.0	**Community Queries**
6.1	- MP requested further help with the shed at the local hall, MS agreed to ask the SBAM team - EV chargers were raised again as an opportunity for community benefit as part of the proposed Carradale SS works, DM mentioned that ABC are looking at installing new chargers and agreed to link up with MS to explore any joint opportunities - Members shared some dissatisfaction with SSE Renewables Tangy public exhibition taking place at Machrihanish rather than Carradale, MS shared the Stakeholder Engagement managers details so any further discussion could take place with them directly
7.0	**Next Meeting & AOB**
7.1	Next meeting to take place on **on-site 23 July 2026**
