

Legend

- Proposed OHL Alignment (Steel Lattice Towers)
- Proposed Steel Lattice Tower

Limits of Deviation (LOD)

- OHL Alignment LOD
- Existing Access Track LOD
- New Access Track LOD

Cumulative Developments

Coire Glas Grid Connection Project (Associated Works)

- Proposed Coire Glas Switching Station Platform*
- Proposed Loch Lundie Substation Platform*

*Associated works subject to separate consent under the Town and County Planning (Scotland) Act 1997. Footprints show indicative locations only.

Coire Glas Pumped Storage Scheme (consented)

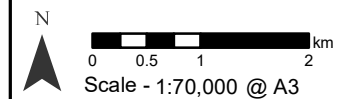

- Dam
- Reservoir
- Outlet Area
- Tunnels
- Access Track (permanent)
- Access Track (temporary)
- Cavern Power Station
- Intake Tower
- ▲ Surge Shaft

Bhlaraidh Wind Farm Extension Grid Connection (application)

- Proposed 132 kV Overhead Line
- Proposed Underground Cable

Skye Reinforcement Project (application)

- Proposed Overhead Line
- Proposed Steel Lattice Tower
- Proposed Underground Cable
- Existing 132 kV OHL to be Dismantled (Wood Pole)
