Argyll and Kintyre 275kV Strategy Virtual Public Consultation

SSEN Transmission invites you to share your views with us

What is being consulted on?

We would like to invite you to join our virtual consultation exhibitions to share your views and feedback on our proposals for our Argyll and Kintyre 275kV Strategy which aims to enable the connection of new renewable generation to support the transition to net zero emissions. This strategy is comprised of three elements:

1

Creag Dhuhb to Dalmally 275kV Connection

Following previous rounds of consultation on this project, we are now looking to hear your views on our Preferred Alignment for the overhead line within the selected route (Route Option 3). This event will also be the first formal public consultation for the Creag Dhuhb substation Pre-application Notice (PAN).

2

Creag Dhuhb to Inveraray 275kV Overhead Line

This is a new project which would involve between 8-12 km of new 275kV overhead line constructed between the proposed new substation at Creag Dhuhb, and a connection point on the Inveraray to Crossaig overhead line. We are inviting views as to our Preferred Route Option, within which the replacement overhead line will be located.

3

Argyll and Kintyre 275kV Substations

To complete the Argyll and Kintyre 275kV Strategy all the connected substations require upgrade to 275kV capability, as a result we are progressing with a new project which would involve construction and operation of four new 275kV electricity substations, south of Inveraray. We are inviting views regarding preferred Site Options identified for each of these substations.

The team will be available for live instant message chat sessions on:

Wednesday 14th July 2021
10am-1pm & 5-7pm

Thursday 15th July 2021
10am-1pm & 5-7pm

Thursday 29th July 2021
10am-1pm & 5-7pm

How can I get involved?

The virtual consultation exhibitions are part of a 5 week long consultation and have been designed to be fully interactive, allowing for presentation of key project information and plans, as well as providing an opportunity to engage directly with the project team via the chat sessions. The virtual consultation portal, the consultation brochure, other supporting documents and feedback forms can be accessed on the project webpage:
www.ssen-transmission.co.uk/projects/argyll-and-kintyre-275kv-strategy/

Consultation starts on Monday 12th July 2021 and closes on Friday 13th August 2021. We kindly request that feedback forms are submitted by 13th August.

If you have any questions about the project or are unable to join the virtual consultations and you would like a paper copy of the consultation brochure please contact the Community Liaison Manager by email, phone or post:
