

Balliemeanoch pumped storage hydro connection

Public Consultation Event

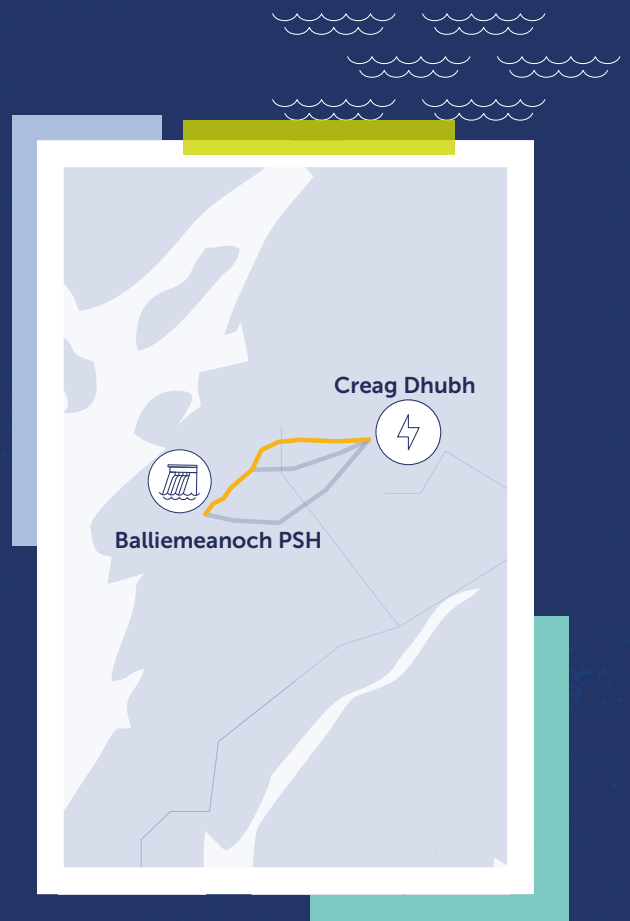

**Wednesday 23 September
2–7pm**

Portsonachan Village Hall
Portsonachan Argyll And Bute PA33 1BJ

Share your views with us.

SSEN Transmission is holding a public consultation event to gain views and feedback on our routing options for Balliemeanoch pumped storage hydro connection overhead line project which includes , approximately 5km of new 275 kV transmission infrastructure, and a connection into the existing Creag Dhubh Substation.

We invite all interested parties to attend our public drop- in event, to discuss our plans with the project team and share your views.

If you have any questions, contact our Community Liaison Manager:
