

Contaminated Land – PKCIR:4683

We would be grateful if you or someone in your team would examine your available records and inform us of any information relating to potentially contaminated land within the site and nearby area (Grid reference for the centre of the site is NN 83088 09205).

Information we would be looking for includes the following:

- 1. Any recorded, current or historical environmental problems at the site and adjacent areas with regards to ground contamination or solid waste arisings;**

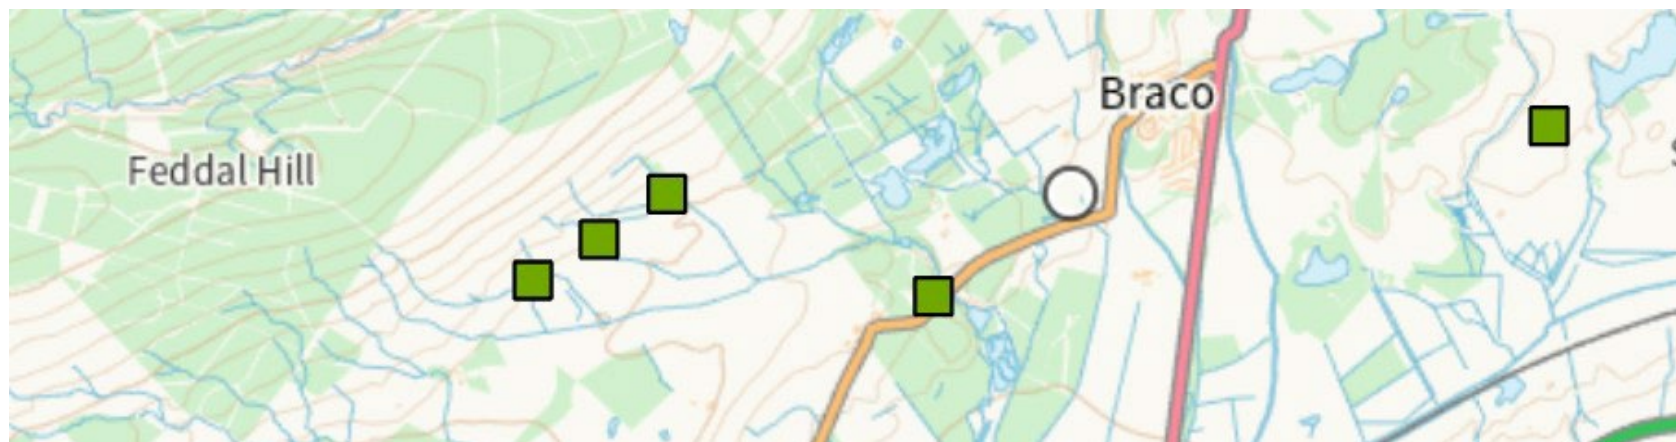

Perth and Kinross Council is not aware of any environmental problems within the proposed site or adjacent area as of 03 March 2025.*

- 2. Any private or public groundwater abstractions on or within 250m of the site boundary;**

Please see the below table showing the information held by the Council regarding private water supplies in the described search area. Please note this is the data we hold about the supplies on our system as of 04 March 2025. It is possible this information is out of date or incomplete.

Supply Name	Regulatory Classification	Volume Out	Source Type	Easting	Northing	GR
Bentick Farm Supply	B	0.5	Unknown	280708	708820	NN 80708 08820
Calziebeg Farm Supply	B	0.5	Unknown	281000	709000	NN 81002 09001
Carsemeg Farm Supply	B	0.5	Unknown	281300	709200	NN 81298 09202
House of Feddal Supply	B	0.5	Unknown	282479	708749	NN 82478 08748
Gannochan Farm Supply	B	0.5	Unknown	285200	709500	NN 85201 09498

Please see the below image illustrating the location of the supplies.

3. The presence and location of any historical landfills within 250m of the site boundary;

There are no recorded landfills within 250 metres of the site boundary.*

4. Any particular areas of sensitivity in the vicinity of the site or nearby areas for which the council may have particular concern;

There are currently no contaminated land designations at the search area.*

5. Any other relevant environmental information you may hold about the site.

The Council are not aware of any further information on the site in relation to contaminated land.*

* In terms of regulation 10(4)(a) of the EIRs, this is formal notice that this information is not held.

Under the terms of the EIRs we have to consider the public interest even when we don't hold the information you have requested. Because of this requirement, I have to formally advise you that the public interest in maintaining the exception outweighs the public interest in making the information available. This is a legal exercise required by the Scottish Information Commissioner and I apologise that this is counter intuitive.
