#### Minutes

<b>1.0</b>	<b>Introduction and agenda for the meeting outlined</b>
1.1	CQ introduced everyone and outlined the agenda that would form the discussion
<b>2.0</b>	<b>Project updates and school engagement</b>
2.1	LB gave updates on the two OHL projects and the substation project and what is upcoming over the next few months.
	CQ gave an update on the Education engagement around STEM and what the business had committed to in terms of careers and STEM events over the coming months. CQ and GL recently attended the Dalmally Village show and notified the group of this.
<b>3.0</b>	<b>Community concerns</b>
3.1	An update was given around the use of the Muthi hotel In Dalmally, which will be used to house the workforce for the project. SA had presented their concerned around rumours that were circulating in the area. CQ stated that SSEN Transmission were already aware and would be issuing a letter SA said this would be very welcome and needed to be sent as a matter of urgency.
<b>4.0</b>	<b>Community benefit fund consultation</b>
4.1	Discussion on CBF C which was taking place that week CQ explained that the community councils and residents should feed back directly to the consultation on their concerns/suggestions. There was discussion around this and CQ relayed some information around the CBF
<b>7.0</b>	<b>AOB date of next CLG</b>
7.1	No other business was discussed. CQ set a date of the 26 <sup>th</sup> of November in Inveraray.
