

Technical Appendix 10.4: Watercourse Crossing Assessment - Continued

ANNEX B – PHOTODOC

Survey Location 1

Existing Crossing

Photo 1: upstream

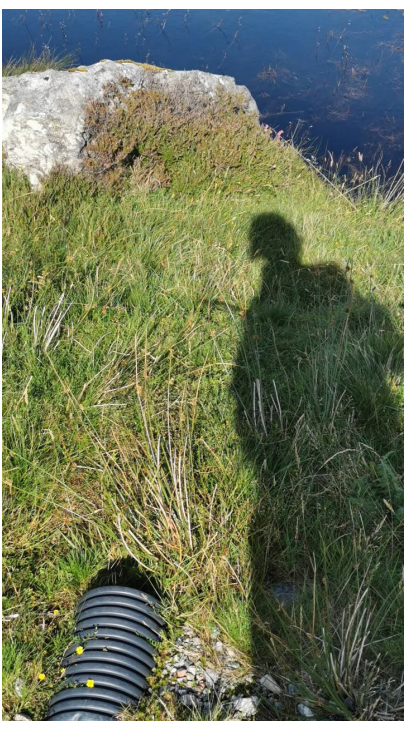

Photo 2: downstream

Survey Location 2

Existing Crossing

Photo 1: upstream

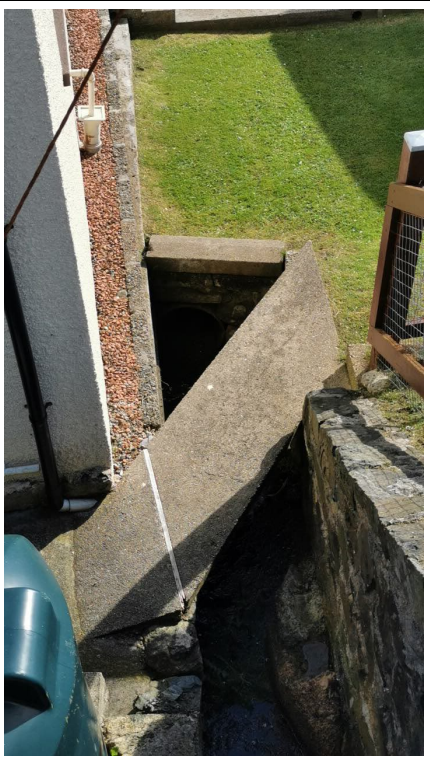

Photo 2: downstream

Survey Location 3

Proposed crossing type: Circular culvert

Photo 1: upstream

Photo 2: downstream

Survey Location 4

Existing Crossing

Photo 1: upstream

Photo 2: downstream

Survey Location 5

Proposed crossing type: Single span bridge

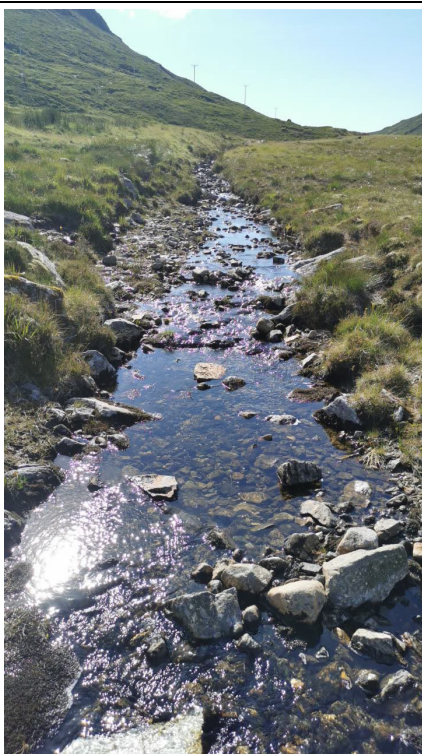

Photo 1: upstream

Photo 2: downstream

Survey Location 6

Existing Crossing

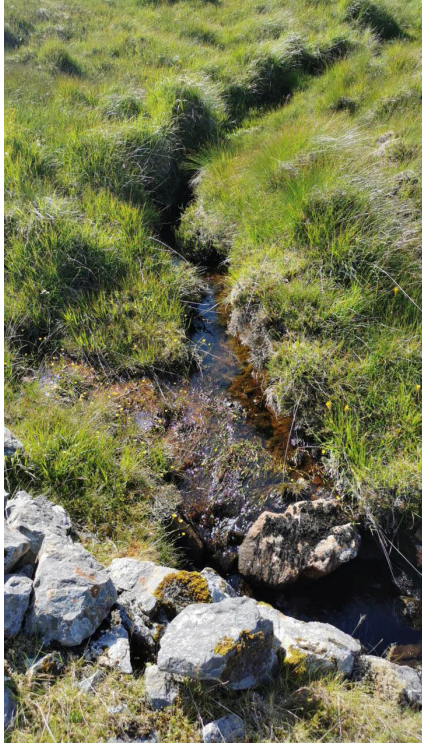

Photo 1: upstream

Photo 2: downstream

Survey Location 7

Existing Crossing

Photo 1: upstream

Photo 2: downstream

Survey Location 8

Existing Crossing

Photo 1: upstream

Photo 2: downstream

Survey Location 9

Existing Crossing

Photo 1: upstream

Photo 2: downstream

Survey Location 10

Proposed crossing type: Circular culvert / cross drain

Photo 1: upstream

Photo 2: downstream

Survey Location 11

Proposed crossing type: Circular culvert

Photo 1: upstream

Photo 2: downstream

Survey Location 12

Existing Crossing

Photo 1: upstream

Photo 2: downstream

Survey Location 13

Proposed crossing type: Circular culvert / cross drain

Photo 1: upstream

Photo 2: downstream

Survey Location 14

Existing Crossing

Photo 1: upstream

Photo 2: downstream
