1. CULTURAL HERITAGE VIEWPOINT INFORMATION

- 1.1.1 This appendix provides a list of the cultural heritage viewpoints (see **Table 10.3.1: Cultural Heritage Visualisations**) that are cross referenced to in **Volume 2, Chapter 10: Cultural Heritage, Volume 5, Appendix 10.10: Detailed Assessment of Designated Heritage Assets in the Outer Study Area** and **Appendix 10.11: Detailed Assessment of Designated Heritage Assets outwith the Outer Study Area**.
- 1.1.2 The locations of the cultural heritage viewpoints together with the locations, and extents, of the designated heritage assets are shown on **Volume 3, Figures 10.2.1 to 10.2.11: Designated Heritage Assets: Outer Study Area (and those outwith the Outer Study Area included in the assessment)**.
- 1.1.3 The visualisations have been organised from south to north along the Proposed Development and by geographical Sections A-F.
- 1.1.4 The visualisations, including photomontages and wirelines, are found in **Volume 4, Visualisations, Figures 10.3 to 10.42**.
- 1.1.5 For explanation of the method used in generating these visualisations see **Volume 5, Appendix 9.5: LVIA and Visualisations Methodology, Section 9: Photography and Photomontage**.
- 1.1.6 For explanation for the presentation of each photomontage viewpoint see **Volume 5, Appendix 9.5: LVIA and Visualisations Methodology, Section 9: Photography and Photomontage, paragraph 9.3.10**. Where visibility of the Proposed Development was limited, or completely obscured, a page presenting a photowire/wireline overlay of the towers and overhead line (OHL) has been included. This overlay represents the Proposed Development as it would be seen if obscured by landform only, discounting any vegetation or other development.
- 1.1.7 Cross reference has also been made to LVIA viewpoints where appropriate in **Volume 2, Chapter 10: Cultural Heritage, Volume 5, Appendix 10.10: Detailed Assessment of Designated Heritage Assets in the Outer Study Area** and **Volume 5, Appendix 10.11: Detailed Assessment of Designated Heritage Assets outwith the Outer Study Area**. A list of those LVIA viewpoints are provided in **Table 10.3.2: LVIA Viewpoints**.
