TRANSMISSION

Public Consultation Event

Share your views with us.

SSEN Transmission are holding a public consultation on our routing proposals to provide a connection for a proposed Pumped Storage Hydro (PSH) Scheme at the western end of Glengarry.

The event will focus on the route selection for an approx. 25km long new 400kV transmission overhead line between Loch Quoich, and the proposed new Loch Lundie Substation.

We invite all interested parties to attend our public drop-in event, to discuss our plans with the project team and share your views.

The consultation event will take place on:

Wednesday 14 May, 2–7pm

**Glengarry Community Hall,
Invergarry, PH35 4HG**

**If you have any questions,
please do not hesitate to contact
our Community Liaison Manager:**

Maren Ebeling

10 Henderson Road, Inverness, IV1 1SN

Tel: 07721 462 330
