

NOTES:-

1. This drawing shall only be used for the design element stated in the drawing title.
2. Only written dimensions shall be used.
3. All dimensions are in metres unless noted otherwise.
4. This drawing shall only be used for construction of the works when certified as acknowledged by Scottish and Southern Electricity Networks and upon relevant third party consultation certification
5. Temporary drainage proposals for the permanent arrangement (substation platform, permanent tracks, OHL platforms etc) to be finalised upon coordination with SWECO permanent drainage design, to align with SWECO drainage strategy.
6. Proposed outfall locations from temporary settlement lagoons to be agreed.
7. All temporary drainage proposals and details to be finalised at detailed design.
8. Temporary settlement lagoons to be confirmed upon GI results.
9. Proximities between temporary drainage infrastructure and existing watercourses to be agreed.
10. Tower platform locations and levels as per ACC transmittal #175 and #203 from Morrisons designs.
