

Quoich Tee Switching Station Overhead Line and Access Road Replacement

Public Consultation Event

SSEN Transmission invites you to share your views with us

What is happening?

Scottish and Southern Electricity Networks (SSEN) Transmission are holding a consultation exhibition event for Quoich Tee Switching Station Replacement project. This consultation is focused on SSEN Transmission's overhead line alignment options and access road replacement.

We would like to extend an invitation to local members of the community and all interested parties to attend an exhibition to discuss our plans with the project team and let us know your thoughts on our proposals.

Further information can also be found on our website at

www.ssen-transmission.co.uk/projects/quoich-tee-switching-station-replacement/

The face to face consultation will be held at the following location:

Wednesday 20th September 2023 2-7pm

Glengarry Community Hall,
17 A87, Invergarry PH35 4HG

This is an open door drop in session, open to all members of the public and interested parties.
