TRANSMISSION

# Slickly Wind Farm Connection Public Consultation Events

SSEN Transmission invites you to come and share your views with us.

Scottish and Southern Electricity Networks (SSEN) Transmission is holding a consultation exhibition for the Slickly Wind Farm Connection Project. This consultation is focused on SSEN Transmission's routing for the new grid connection, using a 132 kV trident wood pole overhead line running a distance of approximately 8.4km in length between the proposed Slickly Wind Farm substation and the proposed Gills Bay switching station and we would welcome your feedback.

If you are unable to join the event or have difficulty reviewing the project information online, please contact me. I will arrange for the information to be emailed or posted to you.

All the information that will be on display can also be viewed by visiting the project webpage:

[www.ssen-transmission.co.uk/projects/project-map/slickly-wind-farm-connection/](http://www.ssen-transmission.co.uk/projects/project-map/slickly-wind-farm-connection/)

The consultations will be held on:

**Wednesday 25th  
January 2023**

At the following locations:

**Mey Village Hall,  
Mey, KW14 8XH**

**10am – 1pm**

**John O' Groats Hall,  
John O' Groats,  
Caithness, KW1 4YR**

**3pm – 7pm**

If you have any questions, please do not hesitate to contact the Community Liaison Manager:
