Grid Reference: 314542 930128 Distance to the development: 1094m AOD: 100m Direction of view: 250°

This viewpoint is near a residential property at Achorn Road.

Travel north west from Dunbeath on Achorn Road, and continue for approximately 1.2km.

The camera location is on the grass verge at the roadside, as shown in the adjacent photograph.

Extent of 50mm single frame image

V4b Figure 7- 16b - Viewpoint 16: Achorn Road

Distance to the development: 1094m Camera: Canon EOS R5 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 28/11/2024 09:45

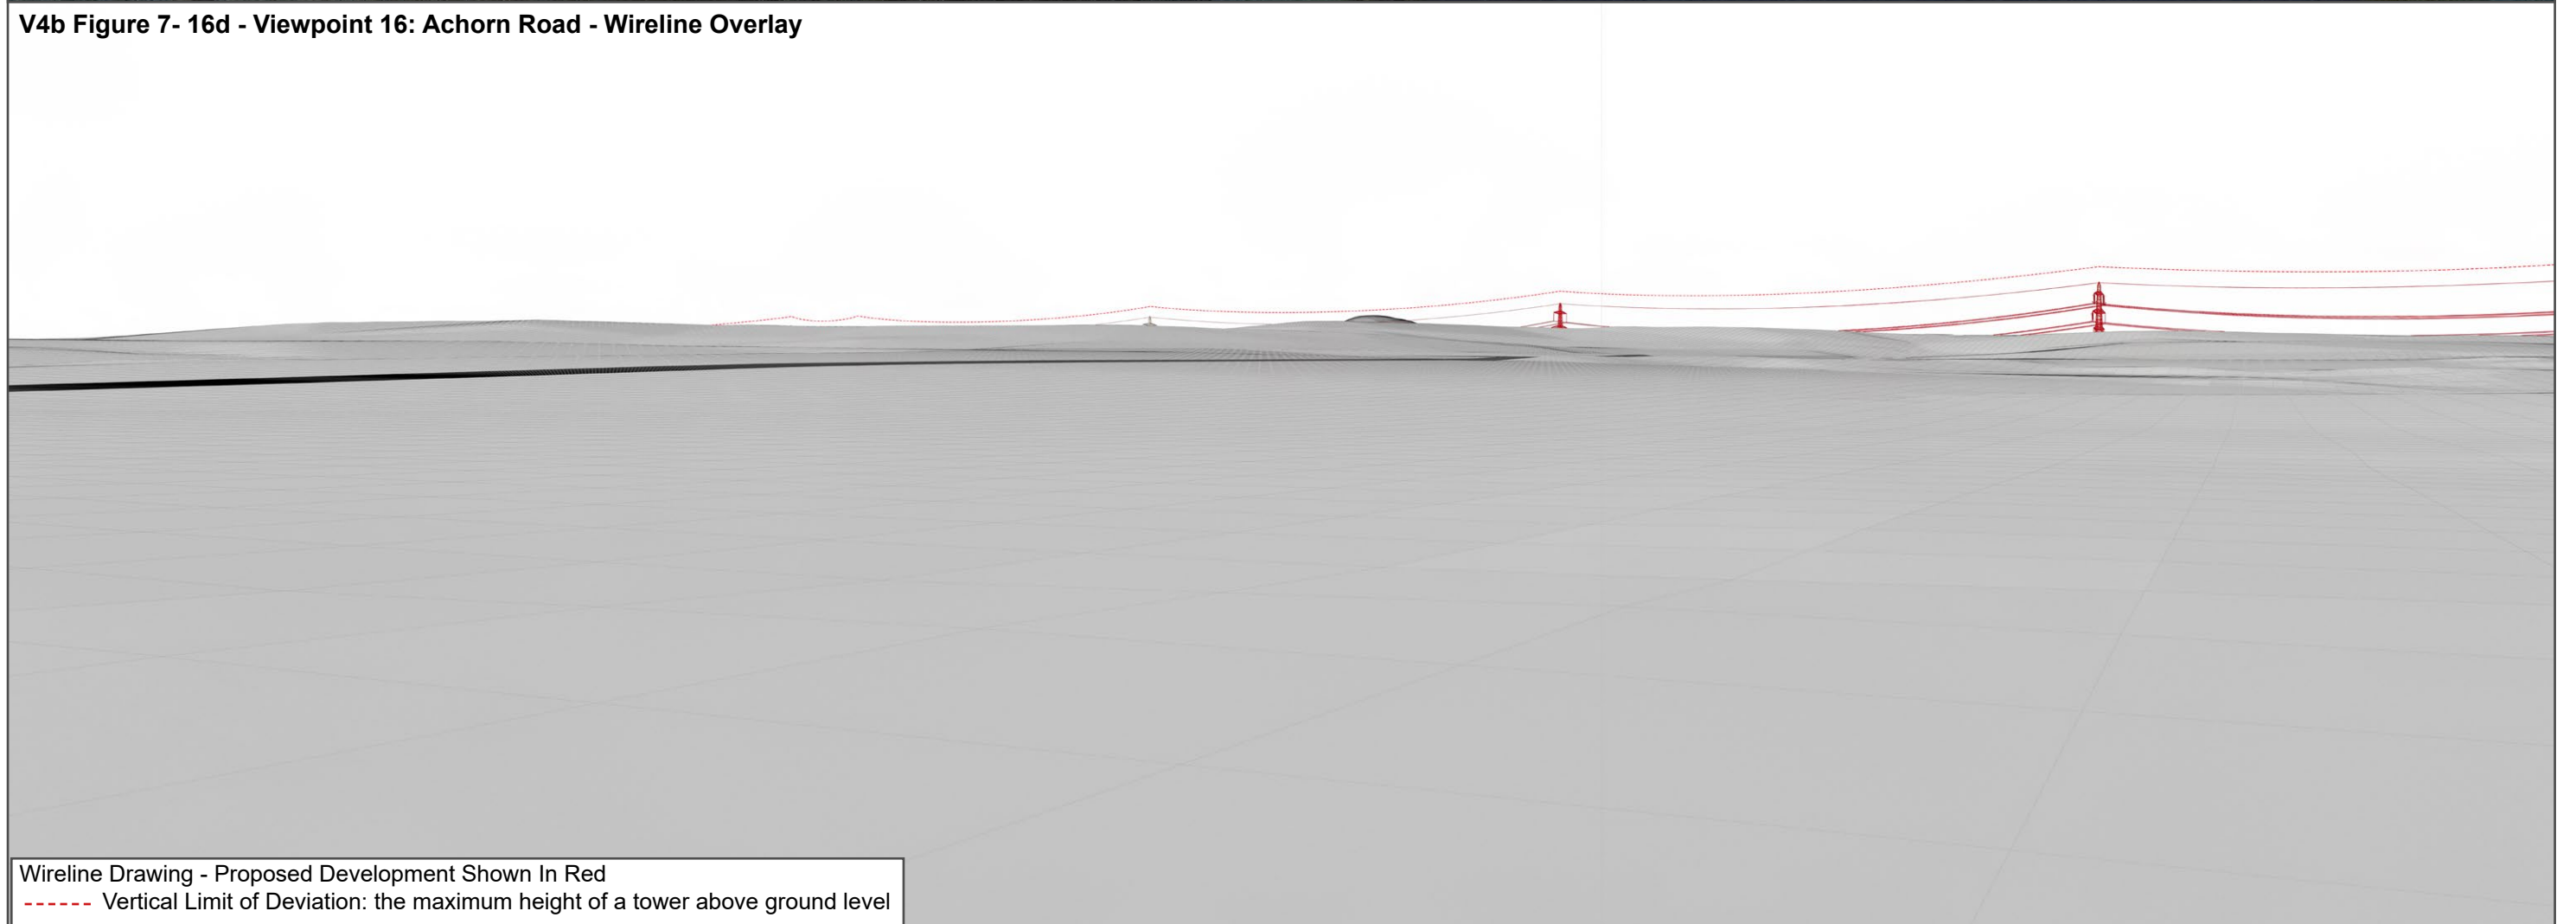

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
