Grid Reference: 301702 917311 Distance to the development: 530m AOD: 30m Direction of view: 347°

This viewpoint is on an unnamed road near Marrell, north west of Helmsdale..

Leave Helmsdale north on Dunrobin Street, and take the first exit at the roundabout. Continue on the unnamed road for approximately 2km. Turn left and continue for 200m, then turn right after the level crossing. Continue for 450m

The camera location is a little north of the gate on the right, as shown in the adjacent photograph.

Extent of 50mm single frame image

Photomontage

V4b Figure 7- 26b - Viewpoint 26: Marrel

Distance to the development: 530m    Camera: Canon EOS R5    Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°)    Camera height: 1.5m    Date: 30/11/2024 13:40

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
