Grid Reference: 249896 854775 Distance to nearest development: 2942m AOD: 70m

The viewpoint location is west of the town of Maryburgh.
 Take the West exit onto the A835 and follow the road round to the viewpoint.
 There is a large layby adjacent to the viewpoint location for parking.

Extent of 50mm single frame image

Photomontage

V4b Figure 7-82b
Viewpoint 82: Moy Rock
View Direction: 205°

Distance to nearest development: 2942m Camera: Canon EOS R5 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 27/02/2025 10:00

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.
