V4b Figure 7-83a Viewpoint 83: Marybank Road

Grid Reference: 248151 854314

Distance to nearest development: 1790m

AOD: 12m

The viewpoint location is south east of Contin, on the way to Marybank.

Continue south east on the A835 from Contin, take the right turn onto the A832, cross the Moy Bridge and the viewpoint location is just south on the junction of Marybank road.

V4b Figure 7-83b **Viewpoint 83: Marybank Road** View Direction: 210° Distance to nearest development: 1790m

Camera: Canon EOS R5 Focal Length: 50mm vertical (27°) x 28mm horizontal (65.5°) Camera height: 1.5m Date: 06/11/2024 14:15

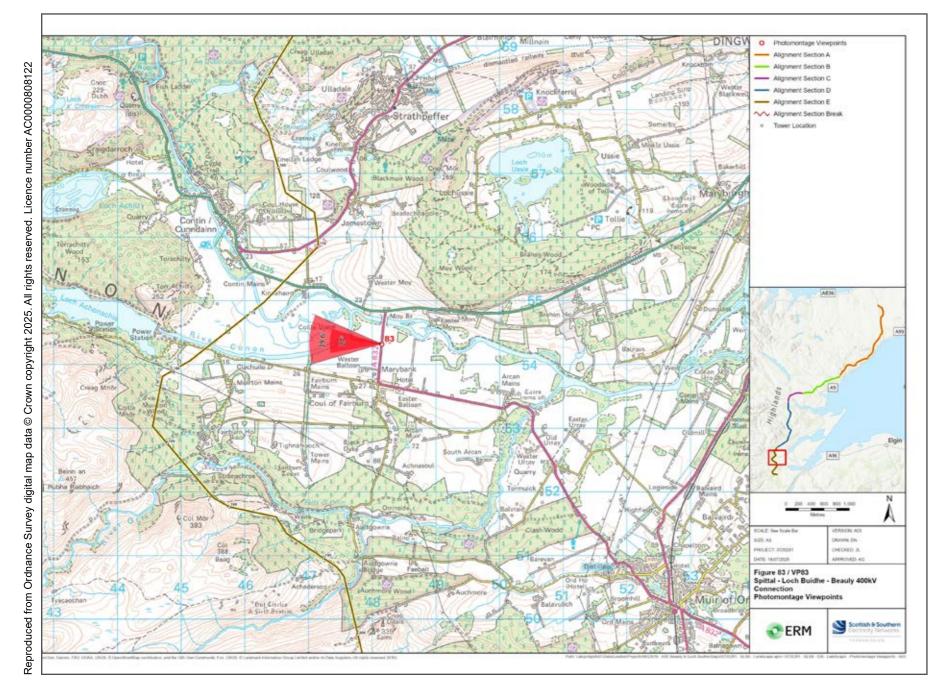

The images contained on this page and the following page are not representative of scale and distance from the actual viewpoint and show the wind farm development in its wider landscape context only.

For empirical testing, the wireline image on the next page can be accurately assessed in the field when converted to a transparency. If viewed with one eye at a distance of 300mm from exactly the same location and height as the original camera lens, the image will fit the real landscape cues.

Wireline Drawing - Proposed Development Shown In Red
----- Vertical Limit of Deviation: the maximum height of a tower above ground level
