

Plate 76: View east over Carradh nan Clach standing stones Asset 81/SM1775

Plate 77: View northwest from Carradh nan Clach standing stones Asset 81/SM1775 towards Proposed Development, North Towers 183 and 184 would be visible in the middle distance of this view to the right and left respectively

Plate 78: View east over Killin chambered cairn Asset 87/SM1794

Plate 79: View southwest from Killin chambered cairn Asset 87/SM1794 towards spanning point of Proposed Development over Loch Carrol

Plate 80: View east over Carrol broch Asset 63/SM1846

Plate 81: View northwest from Carrol broch Asset 63/SM1846 towards Proposed Development, where it would cross in the middle distance

Plate 82: View northwest over probable broch, non-designated Killin broch Asset 121

Plate 83: View southwest from non-designated probable broch, Killin broch Asset 121, intervisible with Carrol broch Asset 63/SM1846, centre right of frame

Plate 84: View over east most portion of Carrol fish farm Asset 80/SM13617 towards Proposed Development spanning point across Loch Brora

Plate 85: View northwest over East Kinnauld School broch Asset 62/SM1862

Plate 86: View southeast towards Proposed Development (North Tower 263) from East Kinnauld broch
Asset 62/SM1862

Plate 87: View southwest from East Kinnauld broch Asset 62/SM1862 over Strath Fleet, East Kinnauld fort Asset 61/SM1861 visible in lower left

Plate 88: View southeast overlooking East Kinnauld fort Asset 61/SM1861, Proposed Development would appear in strath below and beyond this

Plate 89: View southeast towards Proposed Development in Strath Fleet from East Kinnauld Fort Asset 61/SM1861, the Proposed Development would descend from the left

Plate 90: View northeast from East Kinnauld fort (Asset 61/SM1861) towards East Kinnauld broch (Asset 62/SM1862), visible as slight bump in the V-formation, centre left of frame

Plate 91: View northwest over Carn Liath chambered cairn Asset 57.1/SM1772(north cairn), towards Proposed Development

Plate 92: View west from centre of Scheduled area for Carn Liath, cairn & chambered cairn Asset 57/SM1772, towards Proposed Development

Plate 93: View southeast from cairn Asset 57/SM1772 (north cairn; NH79NW 1), along the probable entrance and towards the east cairn (Asset 57/SM1772; NH79NW 7), which lies behind the commercial forestry on the ridgeline, centre right

Plate 94: View south from cairn Asset Carn Liath chambered cairn 57/SM1772 (north cairn; NH79NW 1), overlooking the prehistoric settlement and agricultural remains also associated with the Scheduling

Plate 95: View northwest from Torboll Farm cairn Asset 36/SM1819 towards Proposed Development

Plate 96: View north from Brae Cottage hut circles Asset 58/SM1830 towards Brae broch Asset 59/SM1840, visible as stone mound in centre of frame, within corner of drystone dyke enclosure

Plate 97: View south from Brae Cottage hut circles Asset 58/SM1830, and intervening view south from Brae broch Asset 59/SM1840, towards Proposed Development – would appear behind the extant OHLs on the ridgeline

Plate 98: View east from Brae Cottage hut circles Asset 58/SM1830 towards Proposed Development and spanning point of the strath, this would lie beyond the extant OHLs

Plate 99: View south from Invershin Primary School prehistoric settlement Asset 7.1/northwest part of SM5462, towards Proposed Development

Plate 100: View south over Invershin Primary School prehistoric hut circle Asset 7.2/southeast part of SM5462, towards Proposed Development

Plate 101: View south from Invershin Farm cairn Asset 9.1/ part of south part of SM5497, Proposed Development would extend across the frame from left to right in the middle distance

Plate 102: View south over Invershin Farm burnt mound Asset 9.2/ north part of SM5497, Proposed Development would be located beyond the trees

Plate 103: View south-southwest over Invershin Primary School prehistoric settlement Asset 10/SM5498 towards Proposed Development and spanning point over the Kyle of Sutherland

Plate 104: View west across Invershin Primary School prehistoric settlement Asset 10/SM5498 with extant OHL

Plate 105: View west over Invershin Farm hut circle Asset 8.1/north part of SM5470 towards Proposed Development

Plate 106: View north from Invershin Farm hut circle Asset 8.1/north part of SM5470 towards Proposed Development

Plate 107: View south over Invershin Farm burnt mound Asset 8.2/south part of SM5470

Plate 108: View north from Invershin Farm burnt mound Asset 8.1/north part of SM5470 towards Proposed Development

Plate 109: View northeast towards Invershin standing stone Asset 60/SM1791 (centre rear in field)

Plate 110: Intervening view from south of Invershin standing stone Asset 60/SM1791 towards Proposed Development, South Towers 22 and 23 would stand either side of the extant OHL in the middle distance

Plate 111: View west over Carbisdale Inventory Battlefield Asset 103/BTL19, core battlefield area south of Culrain, towards Proposed Development which would likely appear on ridgeline to the rear

Plate 112: View southwest over Balnacrae chambered cairn Asset 85/SM2396, South Tower 130 would appear behind this

Plate 113: View southwest over Balnacrae chambered cairn Asset 85/SM2396, along entrance, Proposed Development would appear running behind this along the same side of the strath

Plate 114: Outward view northeast along the entrance alignment to Balnacrae chambered cairn Asset 85/SM2396

Plate 115: View north towards Proposed Development over Strath Sgitheach prehistoric settlement remains Asset 38/SM10495

Plate 116: View east over Strath Sgitheach from Strath Sgitheach prehistoric settlement remains Asset 38/SM10495

Plate 117: View southwest from Strath Sgitheach prehistoric settlement remains Asset 38/SM10495 towards Firth View prehistoric settlement Asset 37/SM4728, screened by intervening forestry

Plate 118: View northwest over the Firth view prehistoric settlement remains and cairn field Asset 37/SM4728

Plate 119: View north over east-most hut circle within Firth View prehistoric settlement Asset 37/SM4728 towards Proposed Development

Plate 120: View northwest towards Carn na Buaile fort Asset 83/SM11056 from neighbouring hills to east, at crest of hill under forestry

Plate 121: View south over Dun Garbhlaich fort Asset 20/SM2422, atop knoll centre frame

Plate 122: View west from Dun Garbhlaich fort Asset 20/SM2422 to Proposed Development South Tower 215, which would appear partially behind the middle rock outcrop

Plate 123: View north from Dun Garbhlaich fort Asset 20/SM2422 to Proposed Development South Tower 214, which would appear on the ridgeline, centre frame

Plate 124: View north-northeast over Dun Mor fort Asset 11/SM4979 (centre frame), Proposed Development would pass to the left through the green commercial forestry plantation and extend in a diagonal line to the top right and over the ridge line in the rear

Plate 125: View north-northeast from Dun Mor fort Asset 11/SM4979 towards the prehistoric settlement remains on the opposing side of the Breakachy burn; Proposed Development would extend from the left through the green commercial forestry plantation and extend in a diagonal line to the top right and over the ridge line in the rear

Plate 126: View west from Dun Mor fort Asset 11/SM4979 along the Breakachy burn towards Proposed Development, South Tower 221 would stand in middle distance in centre frame

Plate 127: View east from Dun Mor fort Asset 11/SM4979 out over the broad strath that surrounds the River Beauly

Plate 128: View east-southeast over dyke Asset 539 within the west extent of the Fairburn GDL Asset 101/ GDL00174, showing the commercial forestry plantation that stand in this portion of the GDL

Plate 129: View northwest over Aultgowrie Lodge Asset 98/LB14032

Plate 130: View southwest over Orrin Bridge Asset 100/L14020 towards Proposed Development, potentially visible along ridgeline at rear

Plate 131: View east over Achkinloch chambered cairn Asset 79/SM419

Plate 132: View northwest from Achkinloch chambered cairn Asset 79/SM419 towards Proposed Development, overlooking Achkinloch stone setting Asset 40/SM420
