Consultation Feedback Form

## Stannergate 132kV Substation and Network Rail Feeder Station Pre-application Consultation Feedback Form

### GDPR

When submitting this form, please only submit relevant information. Please do not include sensitive personal data or bank details.

### Privacy Notice and how we're embracing artificial intelligence (AI)

For information on how we collect and process your data, please see our [Privacy Notice](#). If you do not have access to the website or would like a hard copy, please contact us.

We intend to use AI to assist our experienced teams in the analysis of your feedback, so we can categorise key points raised more quickly. You can learn more about how we're utilising AI on this [dedicated web page](#).

### Your subscription preferences

We would like to send you relevant communications via email, such as invitations to stakeholder events, surveys, updates on projects and future developments. If you are happy to receive email updates, please opt-in by ticking the relevant box in our form. You can unsubscribe at any time by contacting us at [stakeholder.admin@sse.com](mailto:stakeholder.admin@sse.com), or by clicking the 'unsubscribe' link which appears at the end of our emails.

**Q1. Is there anything you'd like to bring to our attention that you believe we may not have already considered during project development?**

**Q2. Are there any environmental features, that you consider important and should be brought to the attention of the project team?**

**Q3. Is there anything regarding the Stannergate 132kV substation proposal that you feel you require more information about? If so, please detail below.**

**Q4. Overall, how do you feel about the project?**
